# Funding Your College Future

Cal Grant Program & The Middle Class Scholarship

Philip Y. Ting  
ASSEMBLYMEMBER, 19TH DISTRICT

*Dear Friends,*

A college degree means greater opportunity. The knowledge and skills you gain can be used for the rest of your life. But finding ways to pay for college can be daunting.

California's **Cal Grant Financial Aid Program** guarantees financial assistance based on need to every *qualified* student who applies. Depending on the type of financial aid for which you qualify, books and room and board may also be subsidized.

Increasingly, students from middle class families have also been priced out of college. To help these families, the Legislature enacted the **Middle Class Scholarship Program** in 2013. Once fully implemented, the Middle Class Scholarship will reduce student fees at the California State University and University of California by up to 40 percent for families who have often just missed the cutoff for aid.

Both **Cal Grants** and **Middle Class Scholarships** are only available by filling out the **Free Application for Federal Student Aid (FAFSA)** or the **CA Dream Act Application**. Remember, you can't get the money unless you fill out the application and meet the **March 2, 2015 deadline**.

Paying for college can be difficult, but the State of California is here to help. Please visit the California Student Aid Commission at [www.csac.ca.gov](http://www.csac.ca.gov) or [www.asmdc.org/cj-fundingcollege](http://www.asmdc.org/cj-fundingcollege) for more detailed information.

## Cal GRANT

The **Cal Grant Program** provides free money for college from the State of California. You must have at least a 2.0 GPA and meet certain income/asset, and state residency eligibility requirements. The program is administered by the California Student Aid Commission (CSAC). Cal Grants can be used at all community colleges, California State Universities, University of California campuses, and many private, career, vocational, technical, and nonprofit schools in California.

A Cal Grant is guaranteed if you meet all requirements. Submit your FAFSA or California Dream Act application online along with qualifying GPA verification to begin the process. Both forms must be completed between **January 1 and March 2** of the year you plan to attend college.

CALIFORNIA  
STUDENT AID  
COMMISSION

The **Middle Class Scholarship** will primarily benefit families with incomes too high to qualify for other financial aid programs, but not wealthy enough to afford the increased fees without relying heavily on student loans. However, students receiving financial aid that does not total 40% of total college fees could still receive a Middle Class Scholarship.

The Middle Class Scholarship is being phased in over a **four year period**, with scholarships increasing as more money is made available:

- 14%** of total fees is being awarded in 2014-15;
- 20%** of total fees will be awarded in 2015-16;
- 30%** of total fees will be awarded in 2016-17; and
- 40%** of total fees will be awarded in 2017-18 and going forward (full implementation).

Once fully implemented, a family with an annual income of \$100,000 or less will save up to **\$19,507** (\$4,877 per year) for each child who attends the UC, or up to **\$8,755** (\$2,189 per year) for each child who attends the CSU. The savings will be less, but still meaningful to families with incomes up to \$150,000.

Students will need to fill out their **FAFSA forms** or **CA Dream Act application** annually to continue to receive cash for college.
